Our Good Earth During the summer months we'd like to have a regular early service Sunday morning feature where different people from our congregation share some words related to our environment. This could be about most anything you can imagine. A visit to a pristine lake years ago. Ideas you are employing to use water wisely in your home. A garden experience. Your experience with solar panels. What good earth stewardship means to you. Hiking the John Muir trail. Ideas on heating and cooling your home. Thoughts on transportation. The implications of climate change. If you'd like to share, talk to Steve about a summer Sunday that works for you!

A Big Thanks! On Friday afternoon of this week ten students from Immanuel High School spent a couple hours doing some cleaning around our campus on the IHS "service day." Thanks to these students for their hard work!
